## **Alerts and Bulletins from the NYS Office of Fire Prevention and Control**

[Health and Safety Links](#)

 ANNOUNCING

**Novelty Lighters are creating an escalating Safety Risk. For more information, including information on how to contribute to the ongoing data collection, [Please Click Here](#)**

### [Consumer Alerts](#)

Links include consumer related information pertaining to fire safety hazards and are offered by several hosts. In addition to the NYS Office of Fire Prevention and Control, some of these include the [U.S. Consumer Product Safety Commission](#) (CPSC) and the [NYS Consumer Protection Board](#). Please direct questions to the representative for each subject.

### [Campus Fire Safety Bulletins](#)

Campus Fire Safety Bulletins contain concise information on OFPC campus related fire safety program initiatives or policies, fire prevention tips, and emerging issues. Some editions are of broad, general interest; others are more suited for campus life safety or facilities professionals.

### [Safety Alerts](#)

Links include fire related items of particular interest to the fire service and are offered by several hosts. In addition to the NYS Office of Fire Prevention and Control, some of these include FEMA/United States Fire Administration, National Institute for Occupational Safety and Health (NIOSH), and the Food and Drug Administration (FDA). Please direct questions to the representative for each subject.
