Dear Mr. Speenburgh:

I am pleased to inform you that Greene County has been awarded \$115,000 under the FY2014 State Homeland Security Program (SHSP). As per Federal guidelines, 25 percent (\$28,750) of your award must be directed towards law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ).

In my letter to you on April 9, 2014 I outlined the following State priorities these grant funds are intended to sustain or enhance: Sustainment and Advancement of Effective Programs and Systems; Sustainment and Advancement of Regional Partnerships; Development of Catastrophic Planning Capabilities; Sustainment and Advancement of Interoperable Communications Systems; and Development of Citizen Preparedness Capabilities.

The performance period for this grant is 24 months (September 1, 2014 through August 31, 2016). Given this short period of performance on this grant, it is imperative that you execute your projects as quickly as possible. My grants management staff have prepared the contract for these funds which will be transmitted to you electronically via our E-Grants System. I ask that you expedite your local administrative process to be able to accept the funds and request that the contract is electronically signed in a timely manner.

Thank you for your continued support of New York State's homeland security efforts. DHSES remains committed to providing you with outstanding support in the administration of your homeland security programs. If you have any questions, please contact me directly at (518) 242-5000.

Sincerely,
