

Twin County Recovery Services, Inc.  
"Focused on the Future..One Day at a Time"

Twin County Recovery Services, Inc. (TCRS) is a private, non-profit corporation that has provided services in Greene County since 1981. TCRS is governed by a voluntary Board of Directors and operates programs licensed by the New York State Office of Alcoholism and Substance Abuse Services. (OASAS)

The following programs are provided in Greene County:

- Medically Supervised Out-Patient Clinic
- Riverside Recovery Residence, a Community Residence for Woman and Children
- Primary and Community Prevention
- CASAC Screener at the Department of Social Services
- Vivitrol Program in the Greene County Jail (new in 2017)

In 2016, thanks to a grant from the Greene County Rural Health Network, our Prevention Program was able to base a Prevention/Intervention Counselor in the Coxsackie-Athens High School four days per week. This has been such a successful program that the Cairo-Durham High School has requested this same position for their school. We are working in that direction.

Our Out-Patient Clinic continues to see an increase in opioid use in Greene County. Our Medical Director is prescribing Vivitrol and Suboxone when appropriate to help treat this situation.

Our Residential Program will be looking to relocate and expand as we have a long waiting list for beds and NYS OASAS has redesigned the structure of the programs across New York State.

We continue to participate in the Greene County Treatment Court and the Columbia-Greene Controlled Substance Awareness Task Force.

Please see the attached statistical reports which indicate our efforts and successes.
