**Fire Prevention  
and Control**

## FFS: SELF RESCUE

**Full Description:** This program is designed for firefighter self-rescue based on job performance requirements included in NFPA 1407: Standard for Training Fire Service Rapid Intervention Crews, 2020 Edition. Course content will enable firefighters to recognize the types of events encountered on the fire ground that contribute to firefighter disorientation and/or entrapment, to have knowledge of what is necessary to ensure their safety and that of their partners or crew members, and perform self-rescue techniques when disoriented, separated, or when needing to exit a structure in an emergency. This course requires students to perform several practical evolutions with self-contained breathing apparatus (SCBA) and includes vertical self-rescue skills utilized for egress from an elevation.

**Designed for:** Fire service personnel

**Course Length:** 12 Hours

**Course Number:** 01-05-0085

**Course Location(s):** Greene County Fire Training Center 25 Volunteer Drive, Cairo, NY 12413

**Training Dates:** January 7,14,25, 2025 Start time 08:30/Saturday Start time 0800

**Prerequisites:** Firefighter I or equivalent and students must also be physically capable of wearing SCBA and possess current medical clearance for SCBA use. Students not possessing this prerequisite will not be allowed to participate for their own safety and [Training Authorization Letter](#)
